

## SASAS System

Why a patent landscape ?

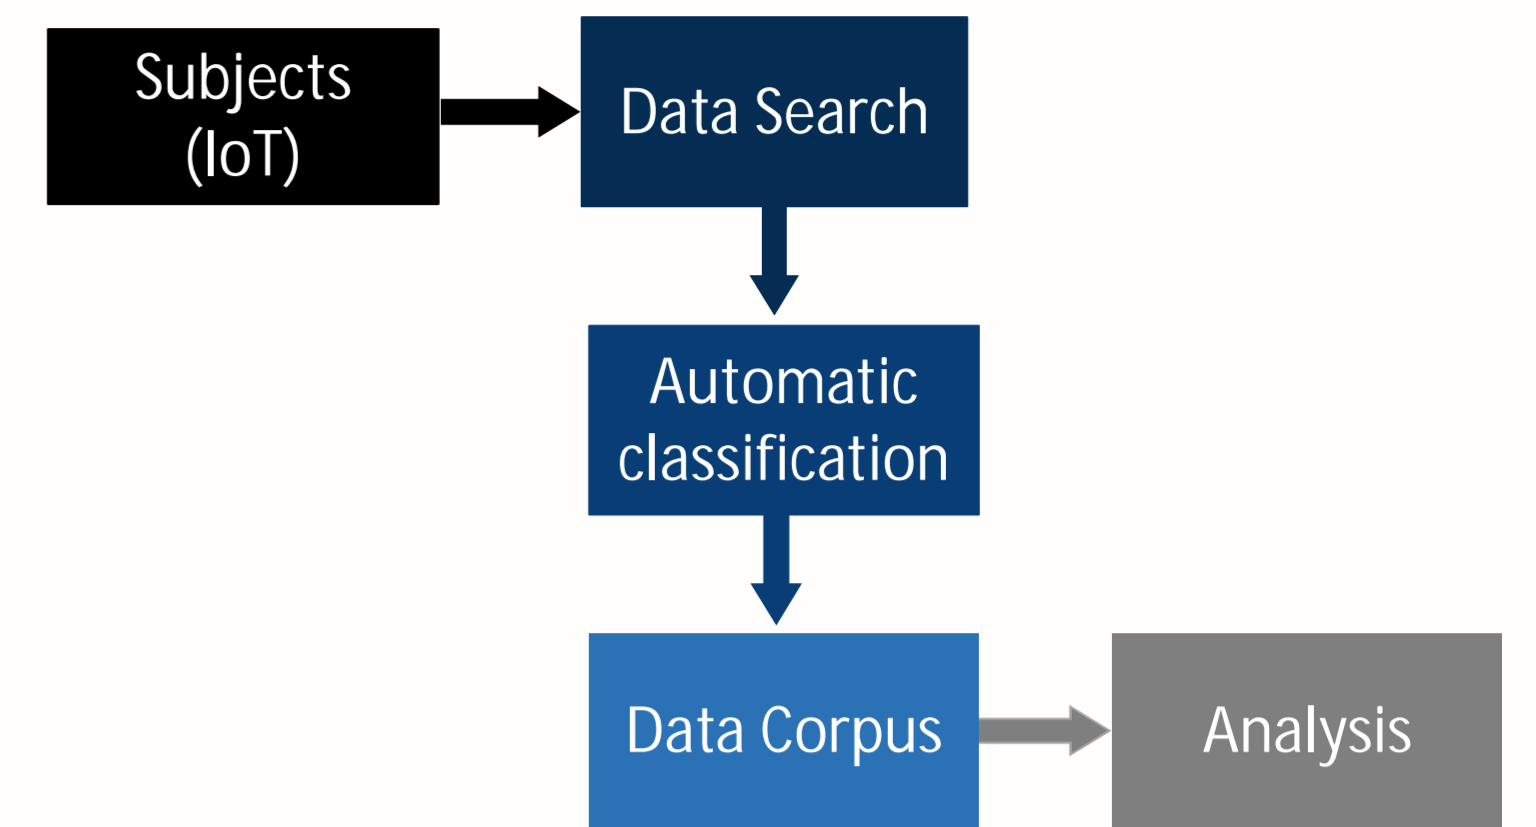

80 % of technological information is published only as patents

How ?

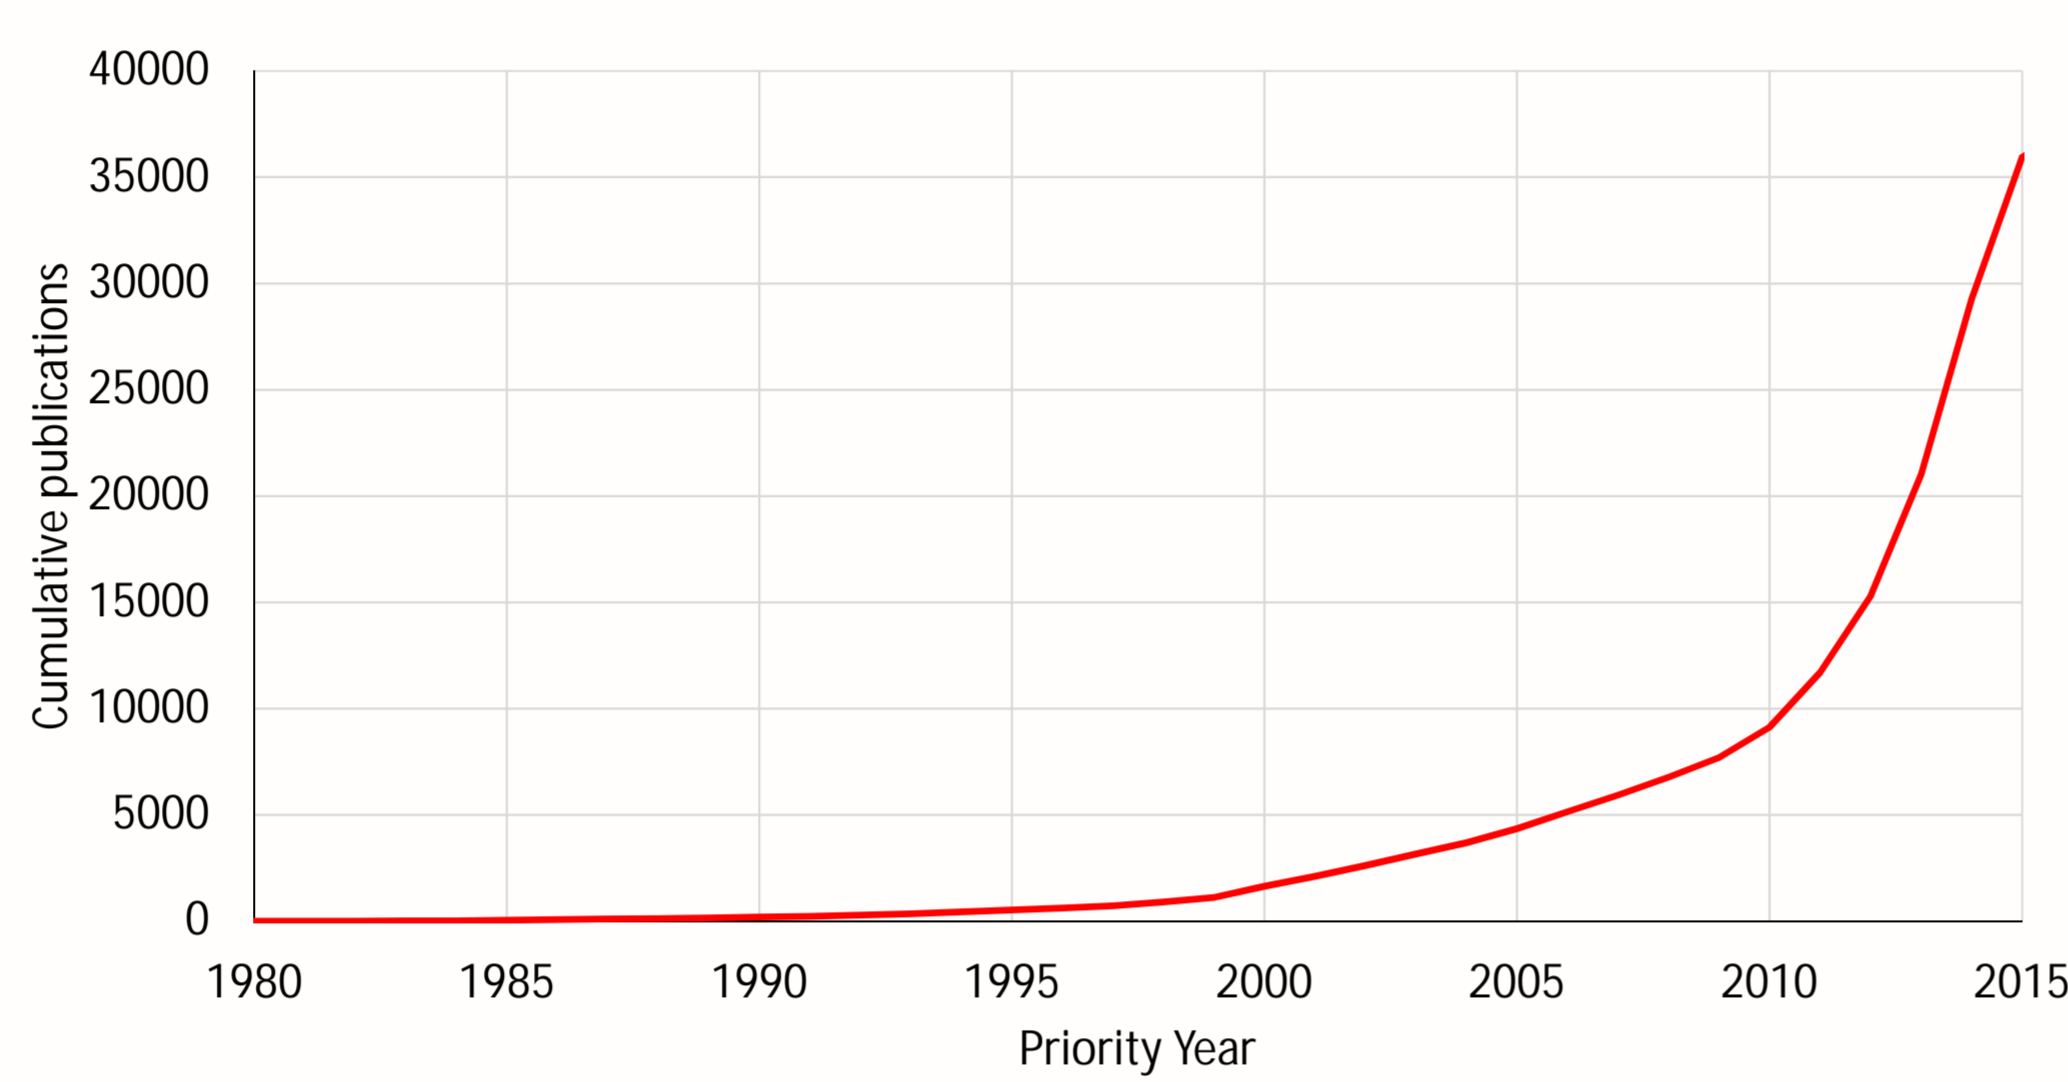

Process

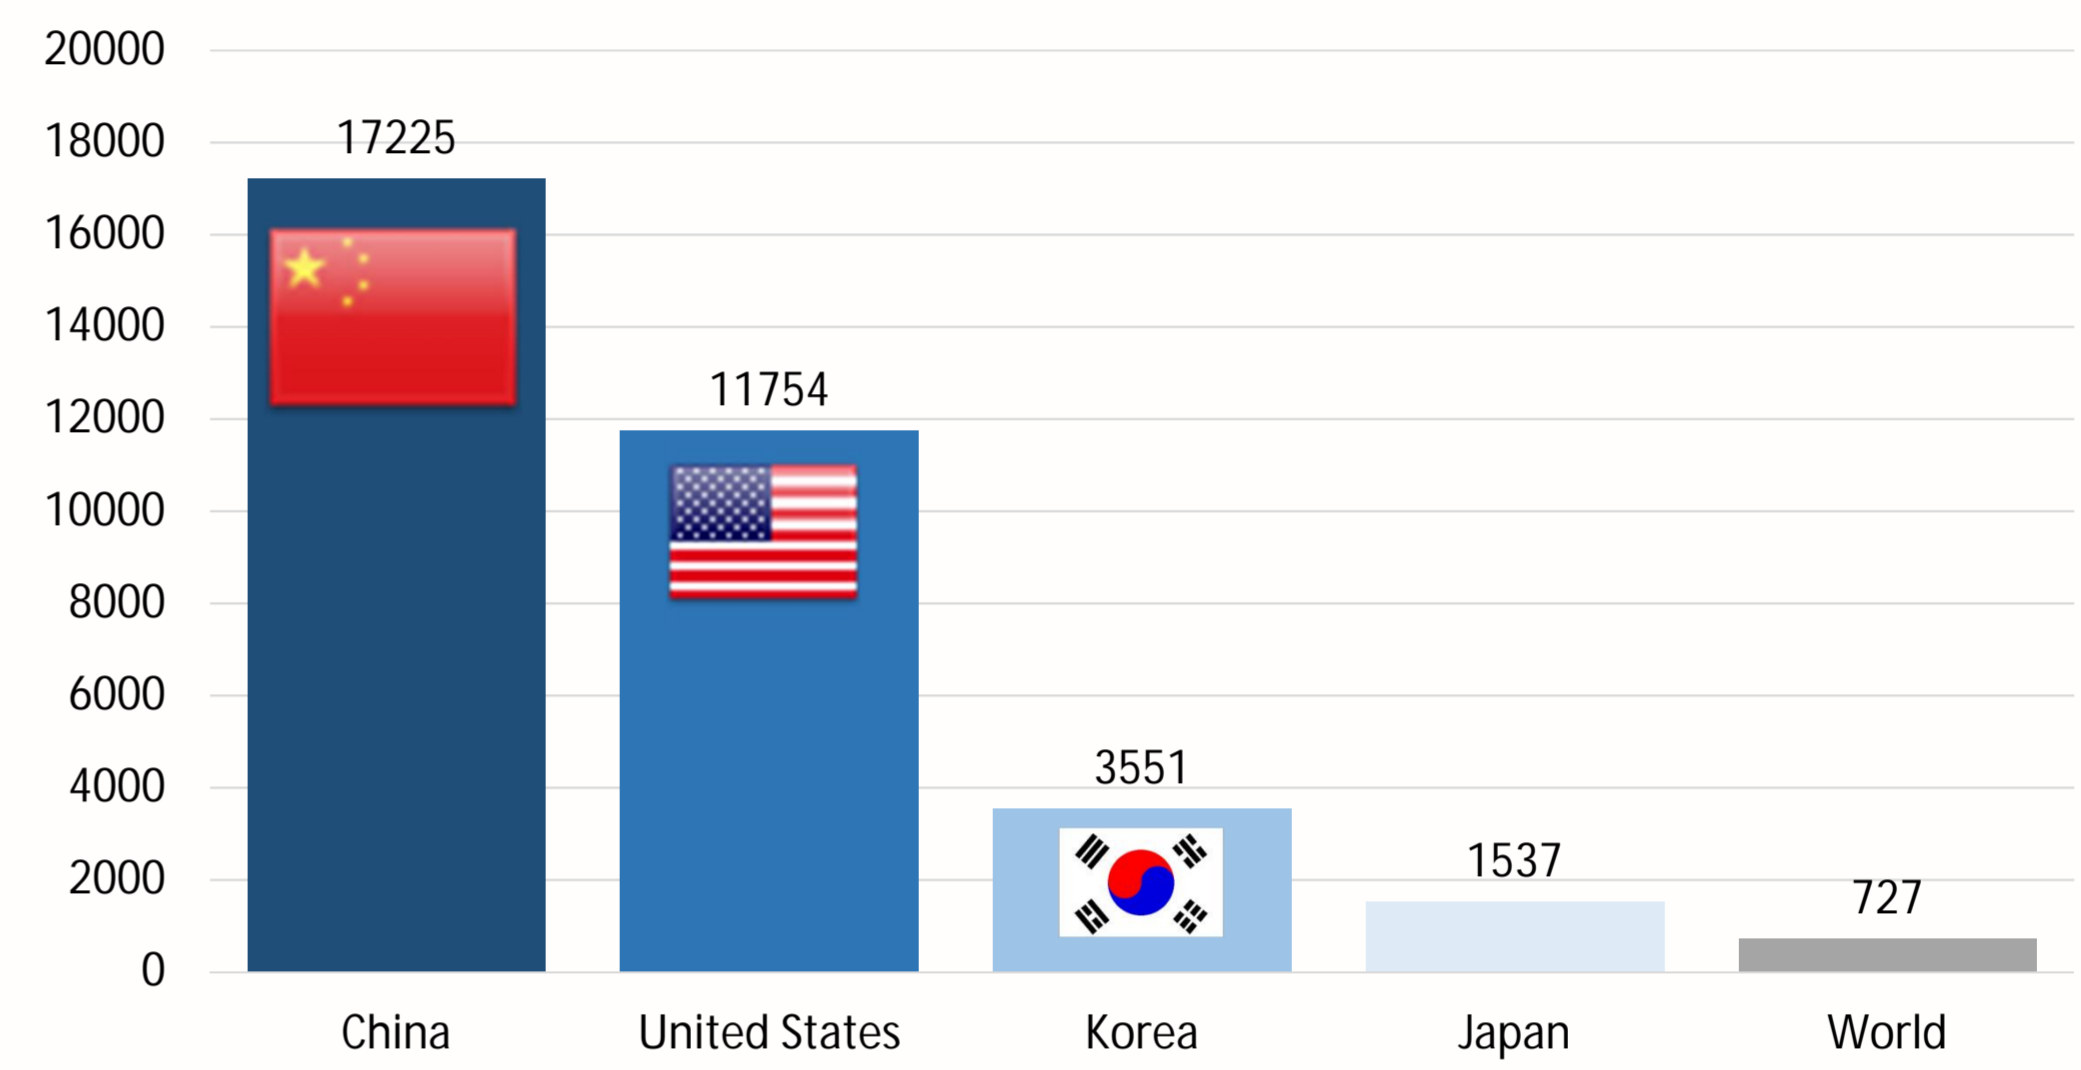

## Landscape Analysis

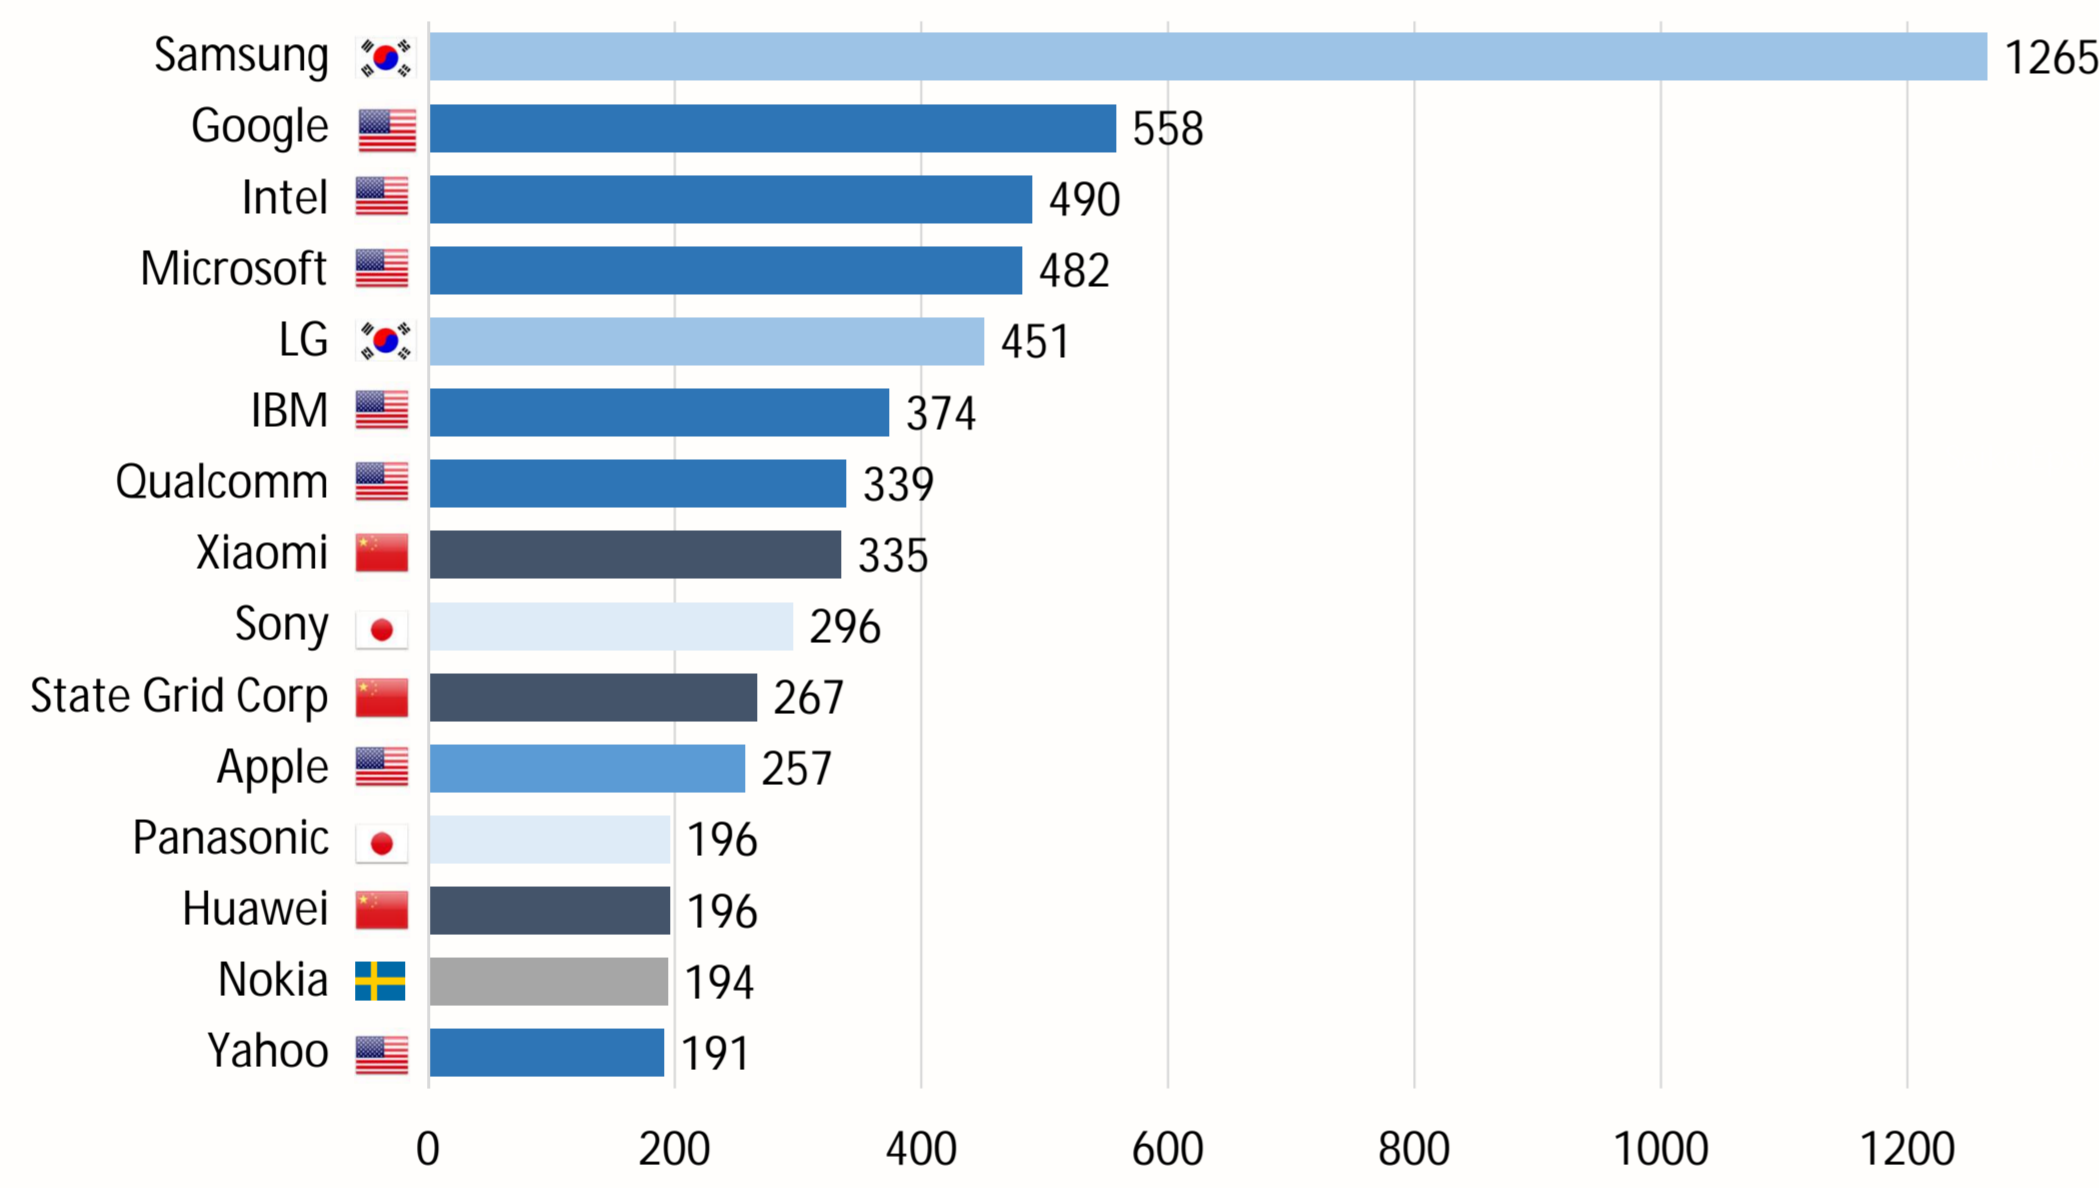

Temporal evolution (priority year)

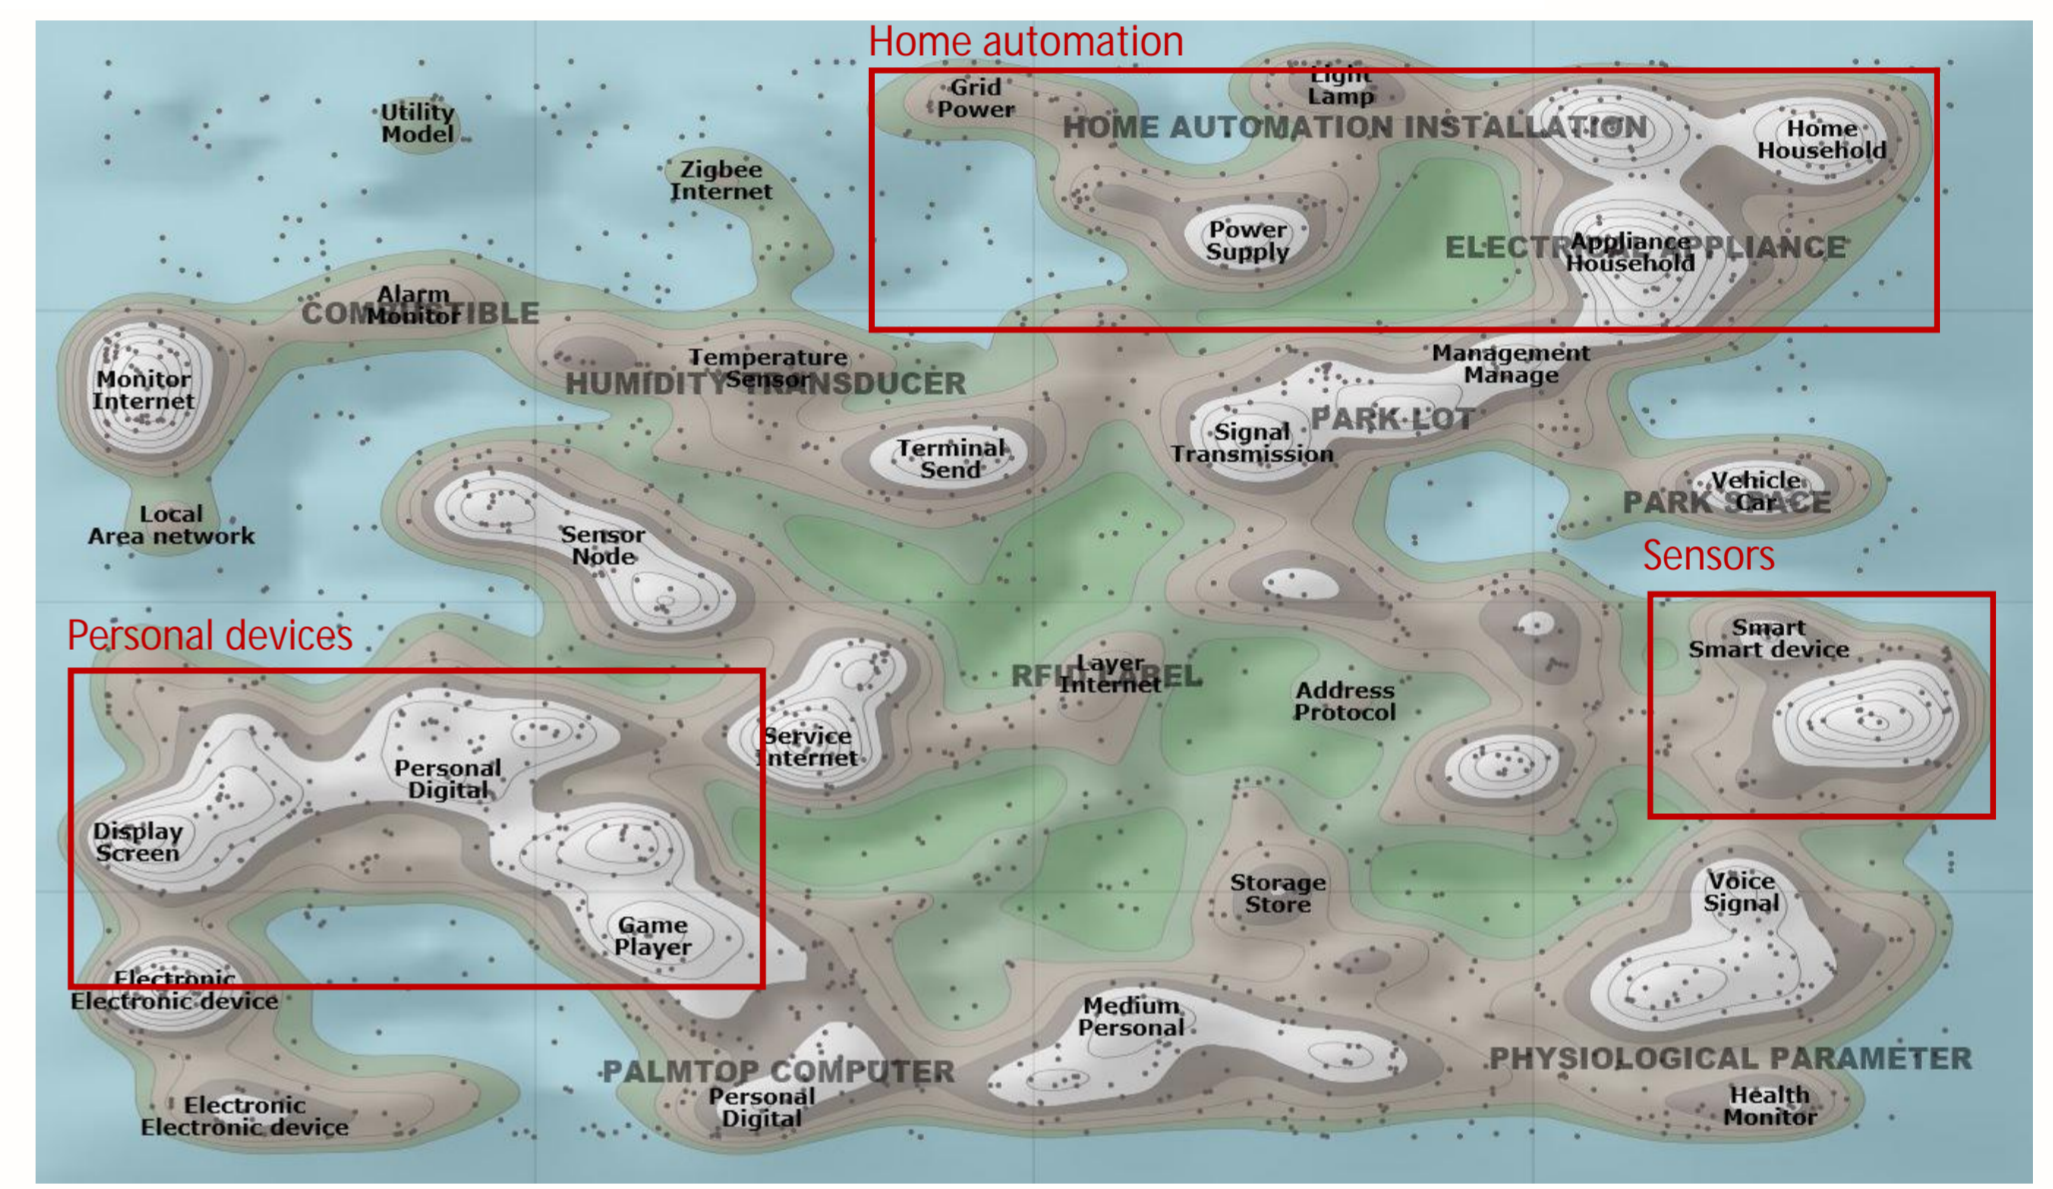

Geographical distribution (priority country)

Main players (Top 15)

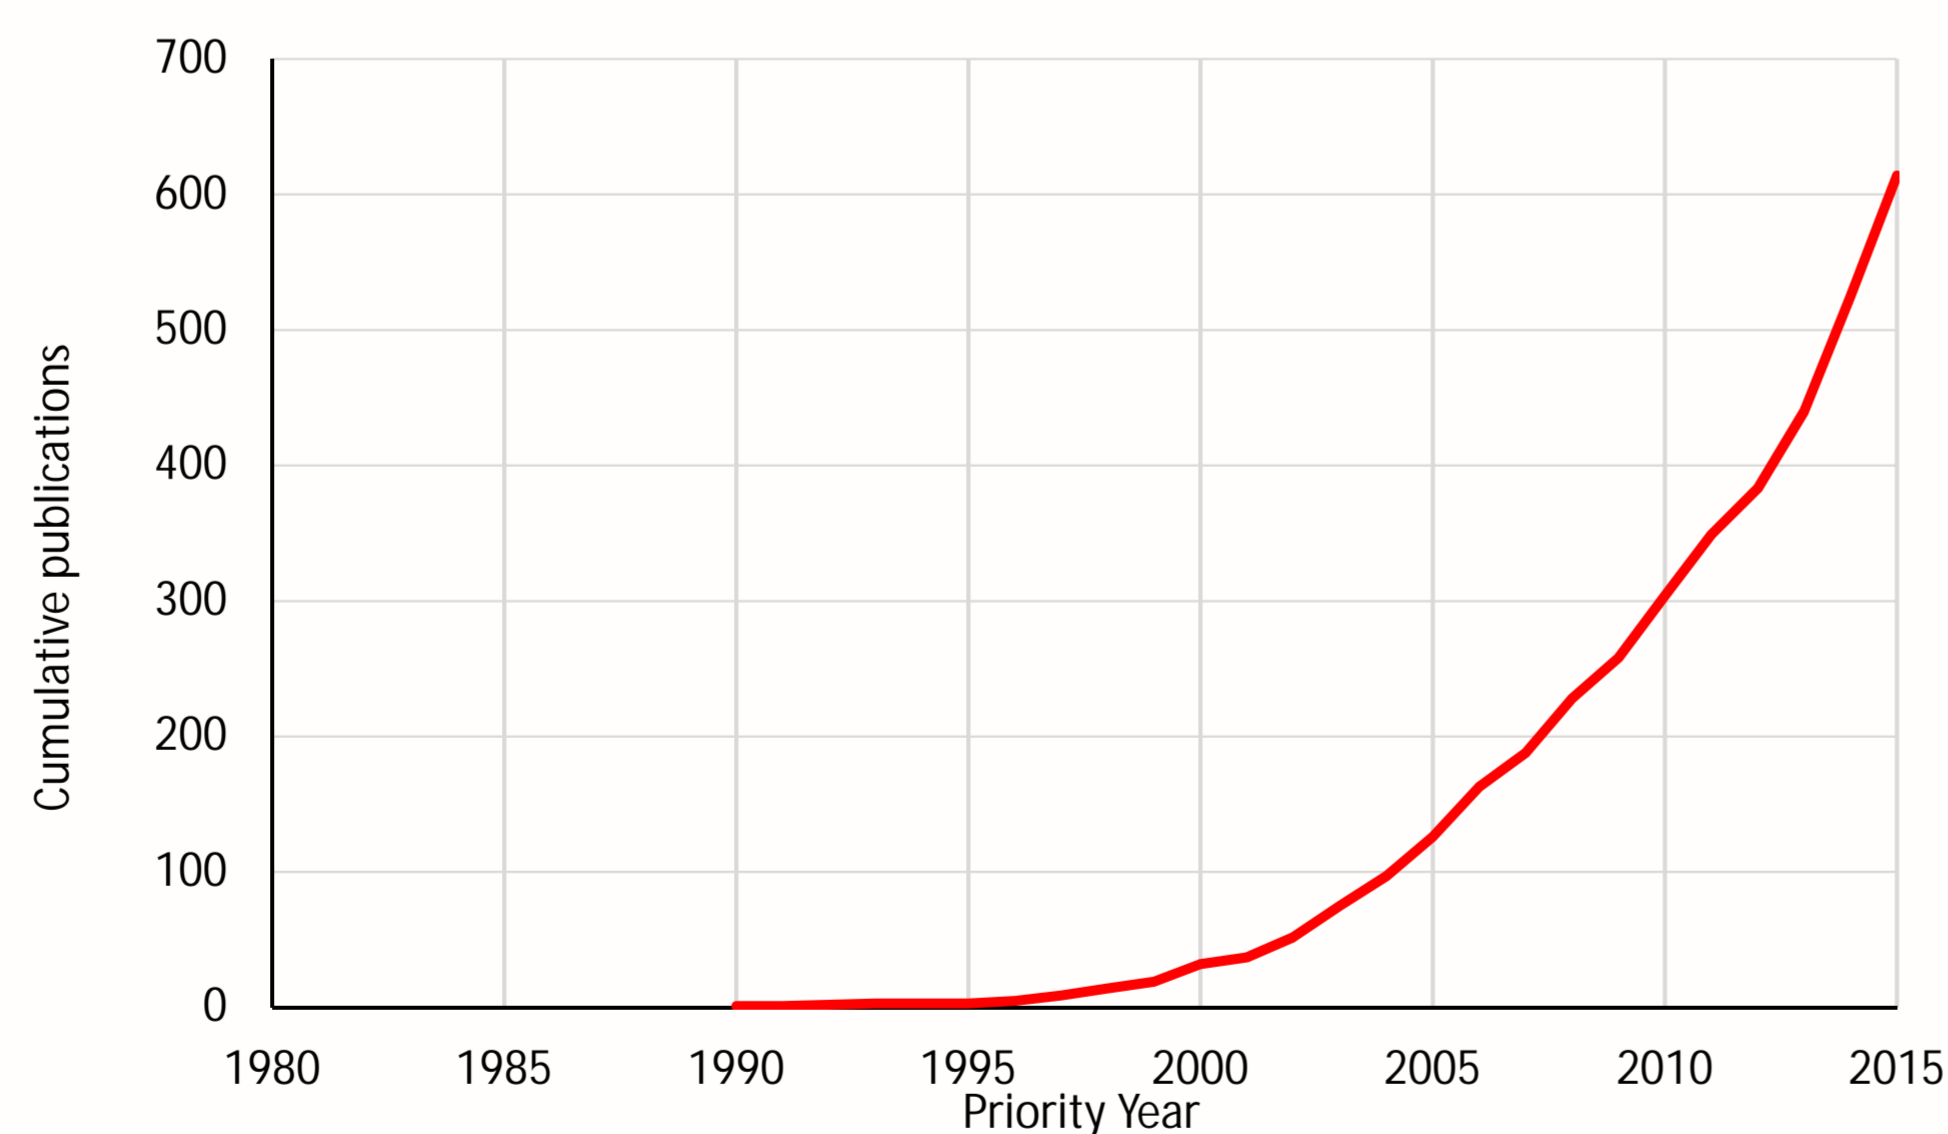

2D Maps (Main technological concepts)

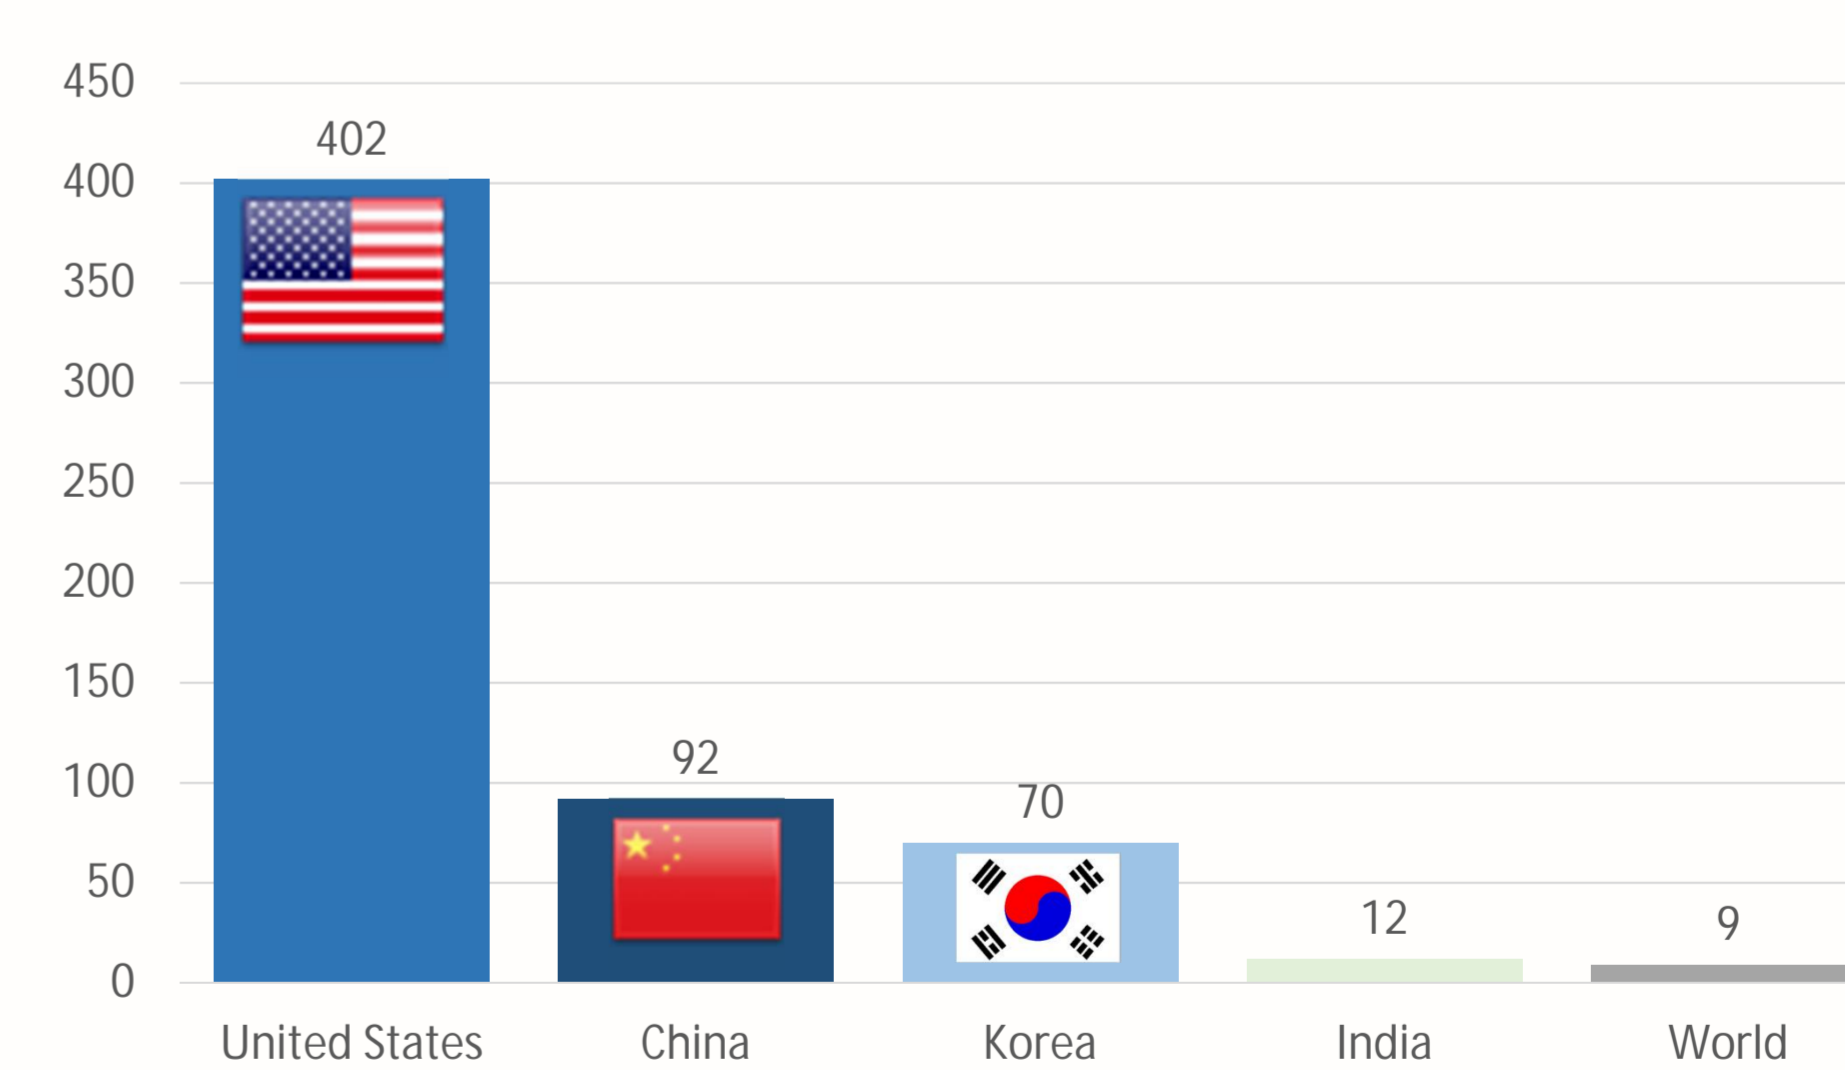

## IoT in defense and security

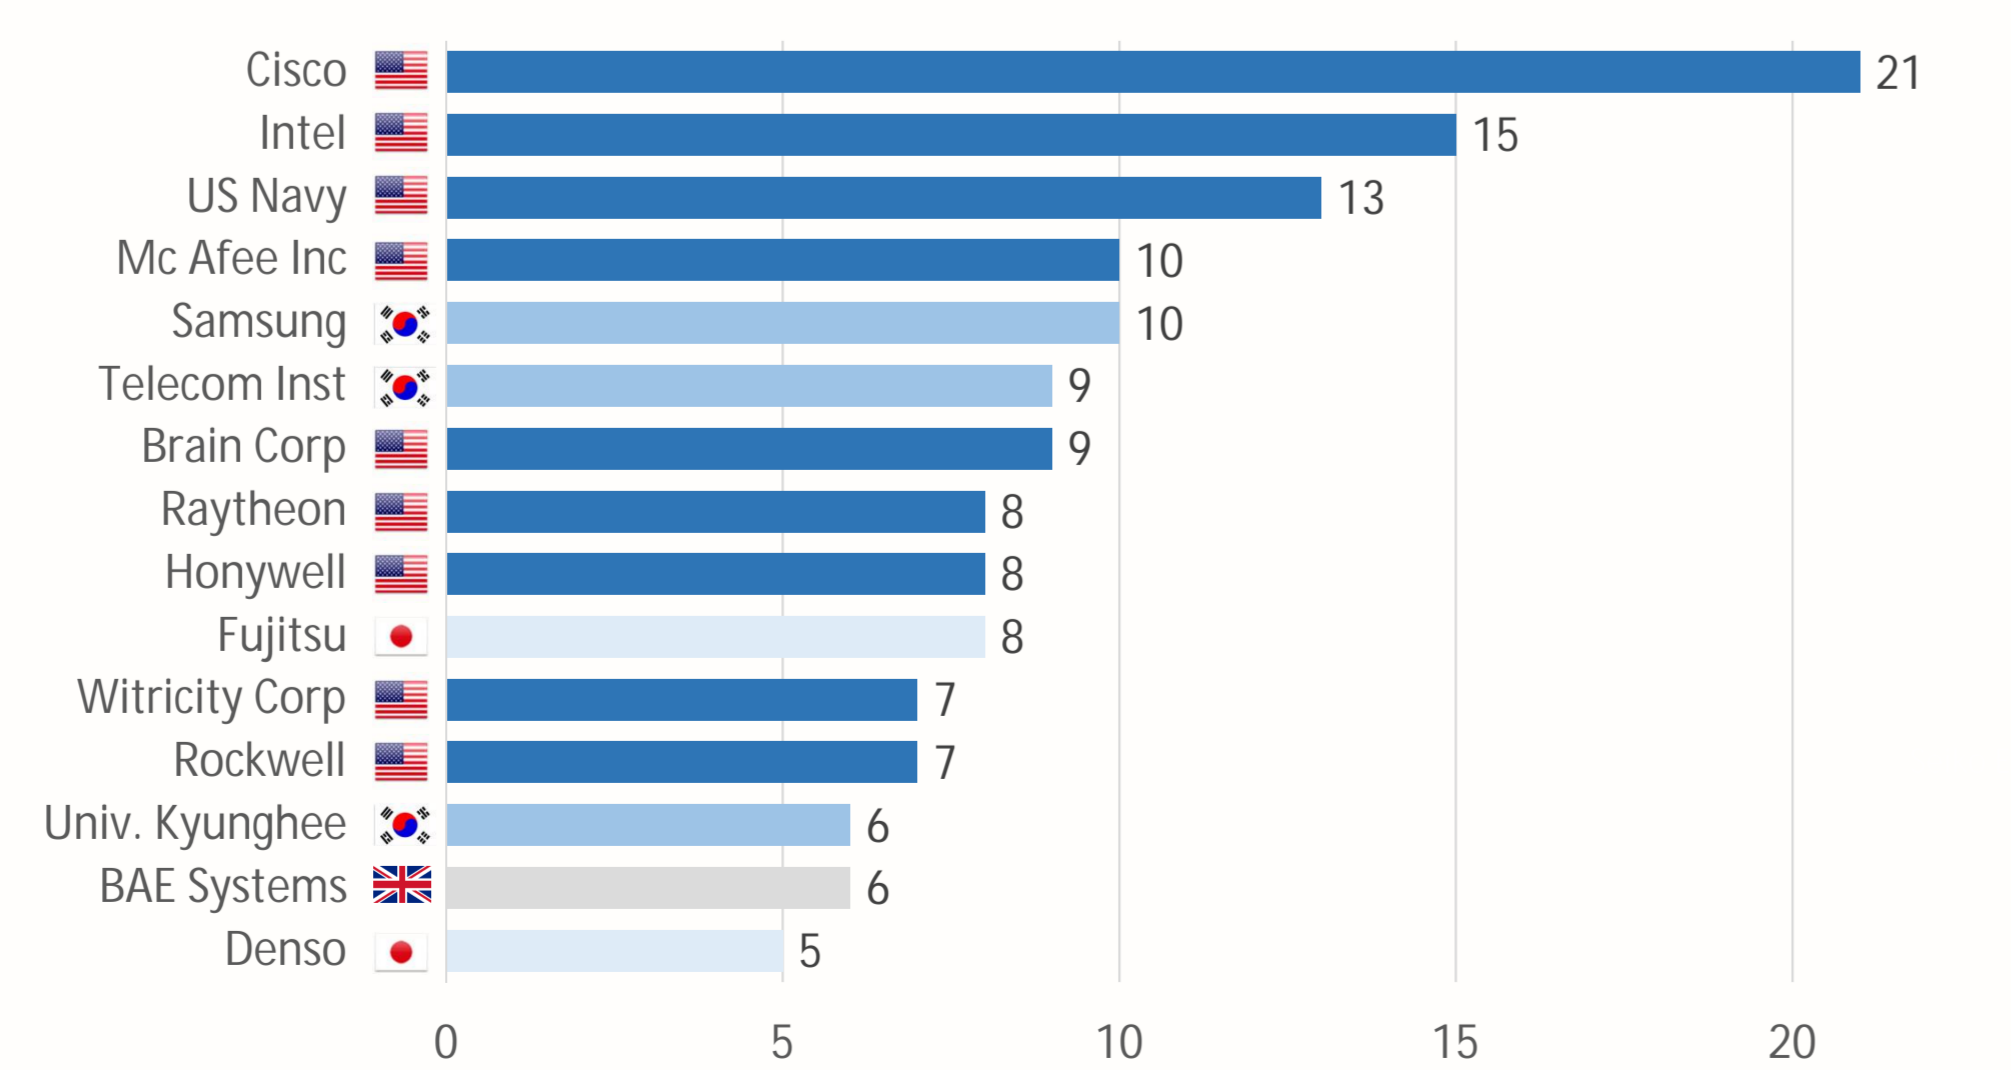

Temporal evolution (priority year)

Geographical distribution (priority country)

Main players (Top 15)

Application

Rockwell Collins US 9223494 B1 Patent
